DISCLAIMER

There is a very rare but possible chance of allergic reaction. If you have had reactions previously and/or have sensitive skin and are concerned I recommend a patch test one week prior. **If you waive the test please initial.**

THIS INCLUDES, BUT IS NOT LIMITED TO, SKIN PREPARATION PRODUCTS SUCH AS ALCOHOL, CLEANSER, BABY WIPES. ANESTHETIC PRODUCTS SUCH AS LIDOCAINE, BENZOCAINE, PRILOCAINE, TETRACAINE, EPINEPHINE. TATOO INK, METALS. AFTER CARE PRODUCTS WHICH CONTAIN MANY INGREDIENTS BUT ARE SPECIFICALLY DESIGNED TO ASSIST WITH HEALING MANIPULATED SKIN.

I understand that implanted pigment colour can change or fade over time and I will need to maintain the color with future applications and a touch up session within 4 to 12 weeks and possibly subsequent re-touches as needed or recommended

I acknowledge that the proposed procedure(s) involves inherent risks because it involves breaking the skin, and there are **remote** possibilities of complications during and/or following the procedures such as: infections, misplaced pigment, poor color retention and hyperpigmentation.

I acknowledge that all post-care instructions, educational information and answers to many client frequently asked questions are available at www.dermalenhancements.com. I have/will (circle which) reviewed the information.

Before and after photos are mandatory. Do you agree to their use for marketing purposes? **Y N** (can be cropped)

Please highlight or circle all that apply.

Pregnant/Nursing?	On anti-biotics? Birth Control?	Keloid/Hypertrophic Scarring?
Dermatology Medications? (acne?)	History of cold sores/fever blisters?	Cancer? Hemophilia? Epilepsy?
Medications that thin blood?	History of skin conditions?	Thyroid?
Supplements that thin blood?	Sensitive skin?	Red Head Gene?
Auto-Immune Disorder?	Blood Disorder/High Blood Pressure?	Steroid? Hormones?
Diabetes? (possible healing issues)	Heart Issues/Conditions?	Allergies? Specify.
Glaucoma (eyeliner)	Overall Health Issues?	NSAIDS? Baby Aspirin? Inflammatory Bowel Disease?
Issues that affect Healing?		

Add details here about any potential health, medication, or skin sensitivity/condition (past and present) that may affect your treatment. Every detail counts

I acknowledge there may be conditions which are not yet known that may affect treatment/implantation or retention of permanent makeup pigment.

STATEMENT OF CONSENT AND RECITALS
(TO BE COMPLETED AT TREATMENT

SESSION)

Please read and initial all lines

Aftercare instructions have been explained/provided to me.

I understand that a certain amount of discomfort is associated with this procedure and that swelling, redness and bruising may occur.

I understand that sun, tanning beds, pools, some skin care products and medications and even my own skin condition can affect my TREATMENT; therefore, **guarantees CANNOT be made**. Additional retouches may be required.

I accept the responsibility for explaining my desire for specific colors, shape, and position for any procedure done today and **will accept the expert advice of my technician**.

I have been quoted the cost of today's appointment. A touch ups after 30 days and no later than 120 days is at a cost of \$50. **A SECOND RE-TOUCH MAY BE NECESSARY. COST WILL BE DECIDED ON A CASE-BY-CASE BASIS.**

I accept full responsibility for the decision to have this cosmetic tattoo work done.

I certify that I have read or have had read to me the contents of this form. I understand the risks and alternatives involved in this procedure(s) and I have had the opportunity to ask questions and all of my questions have been answered. I acknowledge that I have reviewed and approved the material given to me and I authorize *Natia Mohamed*, as my permanent cosmetics technician to perform on me the following procedures.

notes

NB
Fees include initial treatment, re-touches at \$50 each and after-care kit. Permanent makeup ***will*** fade over time. A colour boost done within 18 months of initial treatment is offered at 30 percent off CURRENT price provided the original treatment is still visible. Thereafter, it is a new procedure and full fees will be charged. Dermal Enhancements remains committed to making permanent makeup accessible to Sault Ste. Marie. Prices will always remain competitive. ***Please be advised; however, that if there is any indication that after-care advice has not been followed, second subsequent touch ups will be at full price*. I do not discount for touching up work done elsewhere. I will correct work done elsewhere.***

*e.g., failure to follow instructions for healing, excessive sweating during healing stage, sun exposure during healing and failure to protect your investment thereafter, trichotillomania, etc.

AT THE NOTICE OF ANY SIGN OF IRRITATION/INFECTION CLIENTS ARE TO CONSULT A PHYSICIAN.
